

PUBLIC INFRASTRUCTURE PLAN RESUBMITTAL CHECKLIST - PART C
INFORMATION BULLETIN NO. IB159 (Revised 08-25-2008, 01-06-2010)

City Planning and Development Department- Development Services (CPD-DS)

City of Kansas City, Missouri

<http://www.kcmo.org/codes/>

Project Number: _____ **Project/Subdivision/Plat name:** _____

Part C – This page must accompany re-submittals related to prior deficiency comment revisions

Note: Any changes to plan valuations warrant a plan review and/or permit fee adjustments. Include a revised Engineer's Estimate.

Submittal Type: ☐ Resubmittal * ☐ "As-Built" ☐ Change(s) to Previously Reviewed Plans * *

* On the 3rd and all subsequent reviews and as noted by prior review comments, the following fees apply:

Site Disturbance – 28% of prior total plan review fee

Public Infrastructure - 0.30% of total approved infrastructure valuation

* RE-SUBMITTALS MUST INCLUDE A COMMENT RESPONSE LETTER THAT EXPLAINS HOW PLAN REVIEW COMMENTS WERE ADDRESSED. RE-SUBMITTALS MADE WITHOUT A COMMENT RESPONSE LETTER AND APPROPRIATE FEES WILL BE REJECTED DURING THE QCR PROCESS.

* * Site Disturbance and Public Infrastructure Additional Fees (refer to Ordinance No. 080766, 080903, and City Manager Update thereto sec. 63 & 64):

Minor - \$50.00

Major – one-half total “basic plan fee” (which equals plan review plus permit issuance fee)

I hereby certify that:

I am a Missouri-registered Professional Engineer;

I have completed this checklist indicating the requirements for plan review;

this submittal is complete for review of the work as described herein;

this submittal meets minimum requirements of the adopted APWA standards and DPW's "Plan Presentation Criteria and Procedure"

I understand that omission of any required information will delay the plan review process.
